

THE UNIFORM COINAGE OF INDIA 1835 – 1947 A Catalogue and Price List by Paul Stevens and Randy Weir (\$125.00)

Spink, London, 2012. Crown quarto, hard cover, pp. xii, 360. Well illustrated throughout in colour.

This new book is based upon the work of Major F. Pridmore (*The Coins of the British Commonwealth of Nations. Part 4, India. Volume 2, Uniform Coinage*), published in 1980. The market for Indian coins has developed considerably in that time and the need for an up-to-date reference work with current values has been apparent for some time.
