What We Sell

We sell all types of coins, medals and numismatic literature, but we specialize in certain areas of Numismatics and we are very strong in Ancient and Medieval coins and Numismatic Literature. Please feel free to come to see our coins in our Toronto location coin shop.

Ancient Coins

We sell all types of ancient coins such as Greek Coins, Celtic coins, Roman Republican coins, Roman Imperial coins, Roman Provincial (Greek Imperial) coins, Byzantine coins and Ancient Indian coins. Above mentioned coins are available in all grades and in all price ranges, from unclean Roman coins selling for a buck a piece to the choice Greek tetradrachms worth several thousands of dollars. Please come and check our selection - you will not be disappointed. For selected samples from our stock please check out our online store at vcoins.com/ANE .

Medieval Coins

We have a great selection of Medieval Coins including English hammered coins and a large selection of medieval coins (Italian, Balkan, French, Spanish, Islamic etc.).

Numismatic Literature – Books about Coins

We constantly add new titles to our inventory of coin books and coin auction catalogues. We have one of the largest selections of coin auction catalogues for sale in entire coin trade. Currently we have in stock several thousands of books and auction catalogues. Please let us know if you are looking for any particular catalogue - we might have it.

Other Types of Coins

We have good inventory of Canadian coins and Royal Canadian Mint sets. Also, we have a modest selection of World coins and paper money, commemorative medals, tokens and bullion-related items.
